

ProFacto Product Overview

9 ADD-ON PRODUCTS FOR MICROSOFT DYNAMICS 365 BUSINESS CENTRAL AND NAV

All our solutions are developed in order to avoid errors and to make your everyday life more efficient by automating manual processes – to work smarter throughout the organization.

The solutions are vertical solutions layered on top of the standard and are always programmed with respect for the existing standard solution.

The products are approved by Microsoft and address functions in the organization such as:

- Security | Administration
- Manufacturing
- Logistics | Sales

"In addition to the standard Microsoft Dynamics 365 Business Central and NAV competencies, ProFacto has over time developed special solutions for manufacturing, trading and pharmaceutical companies as well as webshops"

Microsoft Dynamics 365
Business Central

About ProFacto A/S

We are a Certified Microsoft Dynamics Partner and your professional sparring partner with special solutions for Microsoft Dynamics® 365 Business Central and Dynamics NAV. Since our establishment in 2004, our focus has been on manufacturing companies, primarily from the technology and mechanical industries, as well as the medicinal and Life Science sectors. All companies, regardless of their area of activity, can benefit greatly from our solutions.

**ProFacto prioritizes
a high level of
professionalism and
make it a point of
honor to deliver high
quality. In all our
implementations, we
have future
Microsoft Dynamics
upgrades in mind.**
